

Volume #005

Fully annotated games by Life Master Joel Johnson versus players of all ratings. The book also contains Student games, Reader games, Grandmaster games and others. The one thing they all share are aggressive openings and attacking chess.

Notes 480

One of the great features (and there are many) of chess.com is the Titled Tuesday tournaments. It provides an opportunity for me to compete against the best chess players in the world. This book contains a bunch of my successful encounters with them. Enjoy!
